## PRESIDENT'S REPORT

I present my second and last report as your President at the Bateau Bay Bowling Club.

This Second year has seen a lot of achievements for which I and your committee are very proud.

### **The Bowls Committee**

At this stage I wish to inform the members on the performance of the Committee Members during the year.

Firstly, Senior Vice President Dean Wilson has continued the role of membership and has worked hard to keep the records up to date, not an easy task. The Thursday twilight bowls is a success and all this is appreciated due to the way he and Kevin run the night.

Vice President Rod Masterson continued the role of Treasurer and performs his position as a very competent financial expert as can be seen by the financial report, unfortunately he has informed me that he will not be continuing in this role and I thank him for the time, effort and the commitment he has made to the position over the last two years.

Bill Halliday has performed the role of Secretary for three years producing documents that reflect the meeting outcomes. Without Bill keeping the records this club would be in shambles. I thank him for the time, effort and commitment he has made to the position over the last three years.

To Ray Peck who will be the first to volunteer for any work that has to be done. He is a valuable member and supporter of the Committee and regularly brings the family along to help.

Greg Larkin who has been there when we need him throughout the year we all appreciate his input.

Michael Peck came to the committee and has shown a keen interest in the role and keeps us on the right track for the needs of the members. Thank you for your commitment for the past twelve months.

The Ladies representative, President Liz Cohen / Sue Ryan are valued members and their knowledge and experience being greatly appreciated.

Too the past Presidents Pat Cummins and Noel Post, it is greatly appreciated that they have a continued interest in the running of the Club and take the time to give advise freely.

Lastly, a special thanks to Lisa Caswell for her support and financial assistance to the Men's Bowling Club and who is willing to listen to any reasonable proposal we put forward and when necessary present and support us at the Canterbury Board. To Lisa and her staff, thank you for the service to our members.

### **Bowling Activities**

We are averaging 1200 bowlers each month on the greens and this shows that this club is well supported by the members from both the men's and ladies clubs

The 2013 Pennant Season was a year we hope to improve upon, but what a difference a year can make. With Kevin at the reins it was decided to have eight (8) sides in the Pennants. This was the start of rebuilding the Club.

In 2014 there will be a team of selectors to help this rebuilding phase of our Club

The sides performed well - Well done to all who played and made the commitment for the ten weeks. I hope that next year you will see fit again to play and make the same commitment.

Bring on 2014 and with the morale shown in the Club we anticipate at least a Zone Flag and hopefully a State one.

Twilight bowls has been very successful and continued through the winter months and will keep going. More information on bowls is included in the Tournament report.

### **Sponsors**

Our major sponsors to the Bowls Club for 2012-2013 are Canterbury/ The Bay Sports Club, Australian Unity, Creighton's, NeuSolutions/Sea Buoys, Repco/Shelly Beach Auto Centre and B&M Meats from Umina and their support has been very much appreciated. They provide the financial requirements for us to hold the various tournaments during the year.

### **Selectors**

In 2014 we will have a number of Selectors, of which Kevin Trezise will be the Chairman. This was done due to it being recognised that one person could not pick all the teams and be able to know how they are performing every game. It is hoped that the new selectors will be able to provide the feedback and make the necessary changes to make the teams stronger and more competitive.

### **The Backbone of the Club.**

During the year there are various activities that need to be addressed and I want to express my gratitude to those members who give up their time to ensure that these activities are carried out. In no special order they are the Coaches, Men and Lady Umpires, Flag Marshalls, Match Committee, Selector, Side Managers and of course the Ladies who spend their Saturdays making sandwiches for the Pennant Players and also helpers with the Zone Pennant Play Offs and other Tournaments.

A Special mention is for our Welfare Office, Peter Salter who does a marvellous job representing the Club. He keeps the members informed and this is very much appreciated.

Nevil Brown is a great asset in the Bowls Office and a wealth of knowledge in assisting Kevin.

Our Turf Manager, Darren and his staff a great thank you for the preparation of the Greens and your willingness to make sure our needs are met.

### **RSL Bowls**

Congratulations on your great win this year and your continued support within the Club. I hope we will continue this great comrade.

### **Web Page**

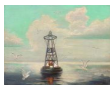

We now have our own web page but due to Bowls Australian finding a new Web partner I was required to produce a new web page at short notice and this is now completed. It is only in its infancy but as time progresses it should become better. Please look at the page and note that some of our information will be published there as well as in the usual manner.

### **Closing**

My sympathy goes to all those partners and friends of those members who have passed on during the year. We look forward to seeing the flag at full mast and of course sad to see it at half mast. We hope it remains high for a long time.

Lastly to you the members, I sincerely thank you for your support and encouragement to the committee for the effort they have put in this year. Your financial support in the raffles that are run which helps us provides special events such as the Presentation night and the Butchers Picnic, we thank you.

We have kept you informed of matters that arise at our meetings and this will continue with our next committee.

To the new committee I say good luck and offer my support where I can. You will have challenges as I did but there are good people around who will I am sure, be only too willing to give advise and support. Good Luck

To my Committee a great thank you for your support and work ethic you have given me during my time as president.

Tony Hegyi – President

## SECRETARY'S REPORT

This is my third and final report as Secretary and again it has been a year of learning not so much about the day to day activities of the club but how we interrelate with our peers and parent bodies and Bateau Bay Sports Club. It is of the utmost importance that we always maintain a harmonious working relationship with those entities.

I would like to thank Michael Peck and Greg Larkin who worked with me diligently on our submission to Canterbury to have our greens uplifted to Tift Dwarf grass. Should our proposal prove successful it will give our club a great launch pad for the future both in competition and membership.

I give a special thanks to Canterbury and The Bay Sports Club General Manager Lisa Caswell for their support and generous financial contribution to our club which I feel is often either misunderstood or forgotten.

I hope that in some small way my three years on the committee has contributed to our members enjoying their bowling whether it was in competition or social.

Bill Halliday  
Secretary

# SELECTOR REPORT 2013

This year was an interesting year for the Pennant Grades with the results being:

Ones	-	6 <sup>th</sup> in Section taking point from the more fancied teams
Twos	-	3rd in Section
Threes	-	4th in Section
Fours	-	Better luck in 2014
Five (1)	-	5th in Section
Five (2)	-	Better luck in 2014
Six (1)	-	Better luck in 2014
Seven (1)	-	5th in Section
Seven (2)	-	Better luck in 2014

Another pennant season has come and gone, unfortunately we were again without success. However I can only thank very much the 136 players who trialled, practised and played during the season. As in previous years a vast majority of games in all grades were winnable around the three quarter mark, I think all we need in the future is a little more self-belief that we are good enough to lift those last six or so ends and not just be competitive but develop a culture whereby we start winning close games that will give us those deserved pennant flags.

Special congratulations to the number of players in their first and second seasons whose dedication to training is showing in their performances, I must admit that a number of us so called experienced players next year need to take a leaf out of their book and be a lot more committed.

Once again thank you to the many reserves called upon to play when needed.

I thank the pennant team managers, flag officials and with special thanks to the lady sandwich makers who produced food that was enjoyed at the end of the day by our home teams and visitors alike.

Kevin Trezise – Chairman.

## **UMPIRE'S REPORT**

As usual the Umpire's in this Club have performed to a very high standard at the various events that they have been officiating. The Club Championships, Pennants and Zone events held at this Club could not be held without the time that these persons give so freely.

I am happy to say that the workload is spread between 19 umpires.

We are the Club with the largest number of active umpires in the Zone and set the benchmark for other clubs to aspire too.

I thank the membership for their support and encourage any member who wishes to learn more about the game to see me and become an Umpire.

Your current list of Umpires are; Jock ANDERSON, Ted BAMBURY, Jason BAYLDON, John BOURKE, Greg COTT, Geoff COURTNEY, Geoff GRAHAM, Dick HEATHER, David HENDERSON, Ron LEWIS, Les MacKIE, Rod MASTERSON, Bruce MUDIMAN, Gordon MURRAY, Ron NUNN, Allan ROBINSON, Peter SALTER and Dean WILSON.

**Tony Hegyi - Chairman**

## **COACHES REPORT**

Once again our club coaches have been very busy.

BUDDY Day was a great success for the club which generated 15 enquiries from people interested in learning to play.

Year to date we have 16 people who have completed coaching and have become members of our Club.

From the 15 enquiries from Buddy Day four of those are juniors. Once these four people have completed the coaching programme we will have a total of 7 juniors that will need our support at every level.

We are very fortunate to have 4 accredited coaches at our Club as it is noted that a lot of clubs do not have any.

With Pennant Trials fast approaching now is the time to ask any Coach for assistance or advice if required.

I'd like to take this opportunity of thanking all our coaches and Bowls Committee for their time and effort over the last 12 months and look forward to another successful year ahead.

**Trevor Chalkin - Chairperson**

## **TOURNAMENTS / VISITATIONS 2012 – 2013.**

With the Support of our Sponsors – Australian Unity, Creighton’s, NeuSolutions/Seabouys, Repco/Shelly Beach Auto Centre, B & M Quality Meats at Umina, we held our usual tournaments during the term of this committee. The response from our Members and the Members from the various Clubs in the Zone was very encouraging. The weather also made the playing of the various tournaments very enjoyable in most cases.

The Major Tournaments – Hibiscus, NueSolutions/Sea Buoy triples and Jack Pateman Men’s Triples were a success regarding sponsorship and players.

This year we will have had visitations from Nelson Bay Travelling Bowlers and Bulldogs Leagues Club Bowlers,. It was a great response from the members to make these bowlers feel welcome. Some have already indicated their intention to return.

These events are only a success with the support of the Men and Lady Bowlers of the Bateau Bay Bowling Club and a special thank-you to the Committee members who give up their time to put on these days and make sure that they run smoothly.

## WELFARE REPORT

2012/13 has again been a busy year for the welfare of our members. Sadly we have lost some very popular and dedicated bowlers over the last 12 months.

From September 2012 to September 2013 we have seen the passing of some **11** male bowlers and I have included the passing of some old friends who are well known to the older members.

As time passes it is easy to forget the efforts of these past members. When you read the Vale List in this report please take a few moments to reflect on their significant contributions in the past.

Peter Salter - Welfare
